Formed in 2001.

Members: National trade union of informal economy workers. Most of the members are street and market vendors. It has 32 organisations affiliated, 60% of whom are women. Number of members - 2 200.

Objectives:

- Improve our affiliate's organizational skills, to advise, train and support the actions of our affiliates to defend their rights, to maintain independence and political autonomy from big enterprise and government.
- Institutional Mission; to organise, unify and consolidate all social partners in our sector, the own account workers.

We are already making advances for the benefit of our affiliates, like a special law for our sector, building of markets, making a rotating fund and promoting a social protection plan

Office bearers: President - Eugenio Rodriguez Obando; Treasurer - Vilma Supaya Arevalo Cruz.
