

Resolution 36: Support for the workers of Venezuela who have migrated in recent years to other countries as a result of the ongoing economic crisis

This 6th International Congress of StreetNet:

Whereas:

That the massive migration of Venezuelan workers has resulted in the saturation of sources of work in developing countries, and the discontent of workers in their home countries, among other problems.

Resolves:

In accordance with Constitution of StreetNet regarding the protection of self-employed workers, border workers and migrants: "Raise your voice of support to the corresponding authorities in support of Venezuelan workers who need the solidarity of people around the world".

PROPOSED : FUTRAND Venezuela

SECONDED : FIWON Nigeria, SINTRALOC Chile
